

**2010-2011
School Improvement Goals for Secondary**

Goal	Activities	Timeline
<p>Increase CSAP results based on longitudinal growth of students in reading, writing, and math.</p>	<p>Better articulate standards to students in each class and lesson Align curriculum in writing vertically and horizontally including elementary curriculum. Develop Alignment strategies to help with the process including implementation strategies for cross-curriculum support, assessment, reflection, and curriculum adoption. Develop a comprehensive professional development plan with assistance from administration for the entire school year witch includes appropriate follow-up and coaching.</p>	<p>Continuing for reading, starting for writing 2010-11 school year.</p>
<p>Four-day week implementation</p>	<p>Develop strategies to maximize effectiveness of classroom time and make-up work. Collectively reflect and discuss curriculum pacing and adjust as needed. Communicate to students and parents the need to manage activity time and academics.</p>	<p>2010-11 School year and continuing.</p>
<p>Provide programs that maximize post secondary and workforce readiness.</p>	<p>Discuss and evaluate grading practices Evaluate ACT scores and GPAs</p>	<p>Continuing</p>
